FVC Fundraiser at Jolly Miller Pub August 19

Fraser Valley Conservancy/Voice file photos

For the past 3 years the Fraser Valley Conservancy has been conducting an Amphibian Protection Project in the Ryder Lake area of Chilliwack BC. The project includes night-time monitoring for adult amphibians during the spring and a migration event for the juvenile western toads in the summer.

Year round, the Fraser Valley Conservancy raises money for this project and the money collected is used to pay for the migration monitoring, traffic control during the toadlet migration and hopefully in the near future, for a tunnel structure and fencing.

On August 19th at the Jolly Miller Pub in Chilliwack, FVC is holding a fundraiser to raise money for this project. Tickets are \$10.00 which includes chicken & spaghetti dinner and one alcoholic beverage.

Where: The Jolly Miller Pub: 5865 Vedder Rd, Chilliwack, BC

When: Friday August 19th, 6-10pm

Come out for a night of fun and food!
